

ASIA-PACIFIC FEDERATION FOR CLINICAL BIOCHEMISTRY  
AND LABORATORY MEDICINE

# PREANALYTICAL MASTERCLASS

## Webinar Series

### *Phlebotomist Attributes, Knowledge Expectations and Professionalism*

#### **Ms. Constance Mak**

Research Nurse, Hong Kong

16<sup>th</sup> September 2021

11.30am India / 1pm Thailand / 2pm Singapore / 3pm Korea

The APFCB is pleased to invite you to attend this series of six webinars on the preanalytical phase. In this second webinar of the series, the content will cover the key attributes required of healthcare workers involved with specimen collection, the importance of training and venipuncture procedural knowledge. All presentations have been tailored for healthcare professionals in the Asia Pacific region.

To review the first webinar on Overview of the Preanalytical Phase and International Guidelines on Specimen Management [CLICK HERE](#)

Assessment questions will be available at the conclusion of each webinar. Successful completion of each webinar will entitle participants to receive a Certificate of Participation from APFCB.
