# A DECADE IN THE MAKING

## ROCHE EXPERIENCE DAYS 2026

SHAPING THE FUTURE OF HEALTHCARE EXCELLENCE

14-15 OCT 2026 • HOPEWELL HOTEL, HONG KONG

On behalf of Roche Diagnostics Asia Pacific,  
we are delighted to invite you to participate in Roche Experience Days 2026.

### WHY ATTEND?

Look beyond challenges to  
drive ecosystem-wide  
excellence.

Gain actionable insights  
into AI-driven discovery &  
proactive interventions.

Learn to eliminate  
administrative burnout  
while addressing ESG goals.

Connect with  
healthcare professionals  
across borders.

#### DISCOVERY

##### AI-Driven Innovations & Technologies

Streamline clinical workflows using automation and leverage data analytics to reshape modern laboratory medicine.

#### EXECUTION

##### Operational Excellence

Optimise healthcare delivery and system safety through resilient, high-quality infrastructure for seamless patient journeys.

#### PREVENTION

##### Proactive Care

Shift from reactive treatment to continuous monitoring, bringing wellness into daily life through point-of-care advancements.

#### RESILIENCE

##### Environmental, Social & Governance Goals

Building accessible, sustainable, and responsible global healthcare ecosystems.
