2 December 2020

APFCB Masterclass in Interpretative Commenting

Topic 3; Fertility Testing

1.30pm IN/ 3pm TH/ 4pm SG/ 5pm KR

In this webinar series on interpretative commenting, **A/Prof. Ken Sikaris** applies the principles of how to interpret laboratory test results, to the many tests used to assess fertility.

Prof. Sikaris will firstly explore the age and gender related issues in defining fertility test reference limits. He will then present some of the most common cases, as well as their appropriate clinical interpretations and potential follow up.

CERTIFICATE OF ATTENDANCE WILL BE AVAILABLE TO ALL PARTICIPANTS

*Please note that Safari browser is not supported for this event. On the day of the webinar, if you are using an iPhone or Apple computer, please use a different browser such as Firefox or Chrome, or download the Microsoft Teams App. Much apologies for the inconvenience.
